

## QUANTUM CORPORATION END USER LICENSE AGREEMENT

**IMPORTANT – READ CAREFULLY:** This End User License Agreement (“**Agreement**”) is entered into and effective by and between Licensee and Quantum Corporation, a Delaware corporation (“**Quantum**”). By clicking on the “I agree” or similar button that is presented to Licensee at the time of download, or by downloading, installing or using the Software or Documentation, Licensee indicates its agreement to be bound by this Agreement. This Agreement governs Licensee’s download and use of the Software and any related support Licensee might receive from Quantum related to Licensee’s download and use of the Software. Any right to use the Software or Documentation provided to Licensee by Quantum will be subject to and conditioned upon Licensee’s acceptance of the terms and conditions of this Agreement. If Licensee does not agree to all of the terms of this Agreement, then Licensee must not download, install, or use the Software or Documentation, and Licensee must delete any copies of the Software or Documentation from Licensee’s systems.

### 1. Definitions.

- a. “**Approved Cloud Service Provider**” means a third party hosted services provider approved by Quantum, having the facilities, networks, physical and network security, servers, storage, applications and services that comply with the NIST Cloud Computing Program, or as otherwise designated by Quantum.
- b. “**Capacity**” means the total amount of stored information that the Software is licensed to hold and/or process as specified by Quantum at the time the Software is licensed.
- c. “**Confidential Information**” means: (i) business and technical information and any source code or binary code, which Quantum discloses to Licensee related to the Products; (ii) the terms, conditions, and existence of this Agreement; and (iii) confidential and proprietary information of Quantum disclosed to Licensee, whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information or the circumstances of disclosure.
- d. “**Designated System**” means a system having the requirements and Hardware specified in the Documentation at the time the Software is licensed, and further means:
  - i. the specific Hardware that is authorized for use with the Software;
  - ii. the parameters otherwise defining or limiting use of the Software by some relevant licensing metric, including, but not limited to Capacity; and
  - iii. title to the Hardware is held by Licensee, the Hardware is located on Licensee’s premises, and Licensee has sole control of the access and use of the Hardware.
- e. “**Designated Cloud System**” means a system having the requirements and Hardware specified in the Documentation at the time the Software is licensed, and further means:
  - i. the specific Hardware that is authorized for use with Software;
  - ii. the parameters otherwise defining or limiting use of Software by some relevant licensing metric, including, but not limited to Capacity;
  - iii. title to the system hardware and is held by an Approved Cloud Service Provider; and
  - iv. Licensee has an agreement in place with the Approved Cloud Service Provider that allows Quantum, under the terms of a NDA, to inspect the Approved Cloud Service Provider’s facility, and verify compliance with this Agreement.
- f. “**Diagnostic Data**” means data relating to the operation of the Designated System in which the Software is installed, including without limitation CPU use, memory use, I/O traffic, virtual machine names, storage device names, and other operational and performance information of a similar nature.
- g. “**Documentation**” means the published documentation accompanying the Software or available online at Quantum’s website, as applicable, and any Updates thereto, in any form or media provided.
- h. “**Export Laws**” means the Export Administration Regulations administered by the U.S. Department of Commerce and its associated regulations.
- i. “**Feature**” means the Software functionality for which Quantum charges and/or licenses separately, and specified by Quantum at the time the Software and/or Feature is licensed.
- j. “**Feedback**” means suggestions, ideas, enhancement requests, feedback, recommendations, comments or other information provided by Licensee related to the Software, Documentation, or

Designated System/Designated Cloud System.

- k. **“Hardware”** means the equipment on which the Software and Open Source Software is pre-installed, or on other Designated Systems which it may be separately installed as approved by Quantum.
- l. **“Licensee”** means the individual or legal entity that downloads, uses, and/or installs Software in any form, including use following installation and/or download on the Designated System by a third party on behalf of the Licensee.
- m. **“Open Source License”** means the separate terms and conditions by the supplier of the Open Source Software.
- n. **“Open Source Software”** means those third party software components identified as such in the Documentation or in the “About”, “Readme” or similar files in the Software, which are required to be licensed under an Open Source License and which are delivered as part of the Software and any Updates thereto.
- o. **“Ordering Document”** means a document, such as a purchase order or other commercial document, or order placed online as agreed to between by the parties that specifies the Software license being purchased by Licensee and the related licensing terms (e.g. subscription period, cost, license type, etc.) under this Agreement. Any pre-printed terms and conditions contained in an Ordering Document provided by Licensee shall have no legal or binding force or effect on Quantum.
- p. **“Products”** means the Software, Open Source Software, and Documentation licensed or Hardware purchased by Licensee.
- q. **“Sanctioned Jurisdictions”** means any country with which trade is prohibited under U.S. sanctions laws.
- r. **“Sanctioned Parties”** means any individual or entity included on any of the sanctions or denied party lists maintained by the U.S. Government, including, but not limited to, the Specially Designated Nationals and Blocked Persons List and Foreign Sanctions Evaders List administered by the U.S. Department of Treasury’s Office of Foreign Asset Control, sanctions lists administered by the U.S. Department of State, and the Denied Persons List, Unverified List, and Entity List maintained by the U.S. Department of Commerce’s Bureau of Industry and Security, or by any government authority in the countries where Licensee operates or activity within the scope of this Agreement will take place.
- s. **“Software”** means the current version of Quantum proprietary software program(s) accompanying this license, in object code form only, and any Updates thereto. Software may include modules that are subject to a separate Open Source License.
- t. **“Updates”** means maintenance releases and error corrections to the Software, Open Source Software and/or Documentation which may be generally provided by Quantum. Updates do not include new version releases, improvements, and/or enhancements for which Quantum charges either separately or requires an extra charge as determined by Quantum in its sole discretion.

## 2. License Models.

- a. **Paid License**. In consideration of Licensee's payment of the license fees in the Ordering Document for a Paid License, and subject to the terms of this Agreement and the Ordering Document, Quantum grants licensee a personal, non-exclusive, non-transferable, non-sublicensable license to use the Software, Documentation and Features with the Designated System only within the scope of the set Capacity and solely for the duration of time the license has been purchased.
- b. **No-Cost License**. Subject to the terms of an Ordering Document specifying a No-Cost License, Licensee may use Software on a Designated System for no cost up to the designated No-Cost Capacity or other limit specified at the time of download, such as the license time period or expiration, if any. Use beyond the designated limits shall be a violation of the No-Cost License and subject to additional fees in addition to any other remedies available to Quantum. Additional capacity and/or functionality shall be authorized for use only upon payment of the license fees as quoted by Quantum. The No-Cost License shall be used solely for Licensee’s internal non-commercial business purposes only. Quantum shall not be obligated to support, maintain or provide any assistance regarding any No-Cost License(s). In no event will Quantum be liable for any damages for any claim or cause for any direct, actual, indirect damages, loss of data, consequential, incidental or special indirect damages, even if Quantum has been advised of the possibility of such damages. Licensee shall not use the No-Cost License(s) to provide services to

third parties (including support services for existing installations) or to process third party data.

- c. Cloud License. In consideration of Licensee's payment of the license fees in the Ordering Document for a Cloud License, and subject to the terms of this Agreement and the Ordering Document, Quantum grants licensee a personal, non-exclusive, non-transferable, non-sublicensable license to: (i) install the Software on the Designated Cloud System; and (ii) use the Software, Documentation, and Features with the Designated Cloud System only within the scope of the set Capacity and solely for the duration of time the license has been purchased.
- d. Community License. Subject to the terms of an Ordering Document specifying a Community License, Licensee may use Software on a Designated System for no cost up to the designated Community Capacity or other limit specified at the time of download, such as the license time period or expiration, if any. Use beyond the designated limits shall be a violation of the Community License and subject to additional fees in addition to any other remedies available to Quantum. Additional capacity and/or functionality shall be authorized for use only upon payment of the license fees as quoted by Quantum. The Community License shall be used solely for Licensee's internal non-commercial business purposes only. Quantum shall not be obligated to support, maintain or provide any assistance regarding any Community License(s). In no event will Quantum be liable for any damages for any claim or cause for any direct, actual, indirect damages, loss of data, consequential, incidental or special indirect damages, even if Quantum has been advised of the possibility of such damages. Licensee shall not use the Community License(s) to provide services to third parties (including support services for existing installations) or to process third party data.

### 3. General License Terms.

- a. Open Source. Licensee acknowledges that Open Source Software is licensed separately pursuant to the applicable Open Source License. Licensee's use of any Open Source Software shall be subject to and Licensee agrees to comply with the applicable restrictions and other terms and conditions of the applicable Open Source License. To obtain a copy of the source code for the Open Source Software whose Open Source License requires the source code be made available, please contact Quantum. A copy of the applicable Open Source License is provided with the Open Source Software, in the Documentation, or via the following link on the Quantum website: [www.quantum.com/opensource](http://www.quantum.com/opensource).
- b. Use. Licensee is authorized to use the Software under each of the License Model in Section 2 on the Designated System, or Designated Cloud System if under License Model 2(c) only or on backup equipment if the Designated System or Designated Cloud System is inoperative until such time as the Designated System or Designated Cloud System is restored to operation. This grant is specifically limited to use by the Licensee for normal, customary, internal data processing for Licensee's business operations, and specifically excludes Licensee's time-sharing or the rental of the Software or use of the Software in the development or marketing of a competitive or compatible product. No right to use, print, copy, or display the Software or Documentation, in whole or in part, is granted hereby except as expressly provided in this license. Licensee hereby acknowledges and agrees that should Licensee violate the restrictions set forth in this Section 3, Quantum may unilaterally terminate Licensee's license and/or use of the Software at any time and for any or no reason without any liability to Quantum.
- c. Copying. Licensee may copy the Software in a non-printed, machine-readable form for archival and backup purposes only, and copy the Documentation as needed for internal use only of licensed Software. In order to protect Quantum's trade secret and copyrights in the Software and Documentation, Licensee agrees to reproduce and incorporate Quantum's proprietary rights, trade secret or copyright notices in any copy or authorized partial copy in the same form and manner as on the original, and will maintain appropriate records of the location of such copy.
- d. US Government Rights. If Licensee is the United States government, Licensee understands and agrees that the Software and Documentation are provided as "Commercial Items" as defined at 48 CFR 2.101 and are being licensed to U.S. Government end users consistent with 48 CFR 12.212 and DFAR Section 227.7202, as applicable.
- e. Import/Export Compliance. Software and Documentation, including technical data, that is the subject of this Agreement is U.S. origin and is subject to Export Laws, and may be subject to export or import regulations in other countries. Licensee represents and warrants that neither Licensee, Licensee's majority owners, other controlling parties or any affiliated company, nor any director,

officer, employee, contractor, vendor or agent that will take any action in relation to the Software and Documentation are (a) Sanctioned Parties; or (b) resident in, located in, or organized under the laws of any Sanctioned Jurisdictions. Licensee shall not download or use the Software and Documentation in connection with, transfer or release the Software or Documentation distribute, or otherwise export or re-export the Software or Documentation (i) to a national or resident of, any Sanctioned Jurisdictions, download or transfer the Software and Documentation into, operate or use it within any Sanctioned Jurisdictions; or (ii) to any Sanctioned Parties, in each case where such activity would be prohibited under applicable law or would cause Quantum to violate U.S. or other applicable laws. Licensee represents and warrants Licensee's download and use is compliant with all Export Laws. Licensee further agrees to strictly comply with all Export Laws, and Licensee acknowledges that Licensee has the responsibility to obtain licenses to export, re-export, or import Software or Documentation. Licensee shall indemnify Quantum from and against any liabilities, costs, fines, penalties, and other expenses, including reasonable attorneys' fees, incurred by Quantum as a result of Licensee's breach of any of the foregoing obligations.

- f. Compliance with Laws. Licensee shall obey all applicable laws and regulations in Licensee's use of Software, Documentation and Designated Systems or Designated Cloud Systems, and in Licensee's performance under this Agreement, including without limitation all data privacy laws and regulations. Licensee acknowledges and agrees that Licensee is the data controller, or similar designation, pursuant to any applicable privacy laws and regulations and will comply with Licensee's obligations under applicable data protection laws and regulations implementing any privacy framework requirements in relation to Licensee's collection, processing and provision of any protected data provided to Quantum in connection with Licensee's download and use of the Software and any provision of support from Quantum. Licensee shall indemnify Quantum from and against any liabilities, costs, fines, penalties, and other expenses, including reasonable attorneys' fees incurred by Quantum as a result of Licensee's breach of any of the foregoing obligations.
- g. Support. Notwithstanding any terms to the contrary, No-Cost Licenses and Community Licenses are downloaded "AS IS" without warranty or support. Upon purchase of a Paid License, Cloud License, Capacity upgrade, or a software support plan, Quantum will initiate support for the Software pursuant to Quantum's standard terms and conditions of support in accordance with the level of support purchased.

#### 4. Software Ownership and Protection.

- a. Title to Software. The Software, Open Source Software and Documentation are licensed, not sold. All right, title, and interest in and to the Software, Open Source Software and Documentation and any modifications to or derivative works based upon the foregoing will at all times remain the property of Quantum or its licensors. Any ideas, know-how, and programs which may be developed by Quantum in the course of providing support and maintenance, including any enhancements or modifications, and all intellectual property rights embodied therein, will at all times remain the property of Quantum or its licensors. Licensee hereby acknowledge that the Software is protected by the patent laws, copyright laws and other laws pertaining to intellectual property and proprietary rights in the United States and other countries. Licensee is aware that this Agreement confers only the right to use the Software while this Agreement is in effect. It does not convey any rights of ownership in or to the Software, Open Source Software or Documentation.
- b. Restrictions. The following restrictions shall apply to the Software under all License Models set forth in Section 1. Licensee will not itself or permit others to:
  - i. license, sell, sublicense, assign, transfer, publish, disclose, display, provide access via a network or otherwise make available the Software or Documentation or any copy thereof to any other person or entity;
  - ii. remove, obscure, or alter any copyright, trade secret, trademark, patent or other proprietary rights notice affixed to or displayed on the Software or Documentation;
  - iii. modify, create derivative works, merge with other programs or translate any portion of the Software or Documentation into any other format, assembly or language;
  - iv. reverse engineer, reverse-assemble, reverse-compile, or attempt to derive a source code equivalent of the Software, except to the extent expressly permitted by law (if Licensee needs information in order to assist in debugging a modified Open Source Software library Licensee will contact Quantum for assistance, if Licensee is located within the European Union, Licensee

- will contact Quantum for information regarding interoperability);
- v. disassemble or decompile the Software, or any part of the Software;
  - vi. copy Software, except as set forth in Section 2(c);
  - vii. disclose, provide, transfer or otherwise make available the Software or Documentation, or any portion thereof, to any person other than Licensee or Quantum personnel without the prior written consent of Quantum;
  - viii. store the Software on any media or otherwise use the Software or portions thereof such that any third party through any data processing network or other means may gain access to the Software; and
  - ix. move, transfer, or install Software at different locations, even if the Software remains installed on a Designated System or Designated Cloud System, without prior written notification to and written consent from Quantum.
- c. Protections. Licensee shall exercise the same degree of care in protecting the Software, Documentation and copies thereof from unauthorized disclosure that is does in protecting its own Software, intellectual property, or trade secrets of a similar nature, but not less than reasonable care. Licensee further agrees to secure and protect the Software, the Documentation, and copies thereof in a manner consistent with Quantum's rights therein and to take appropriate action to satisfy its obligations in this Agreement by instruction or agreement with its employees, agents, subcontractors or others who are permitted access to the Software and Documentation. Licensee is responsible for any violations of this Agreement by its employees, agents, subcontractors or others. All programs or copies developed by or for Licensee in violation of this Agreement, including translations, compilations, partial copies and up-dates to the Software, are owned by Quantum.
- d. Responsibility. Licensee has sole responsibility for use of the Software and any information entered, used, or stored thereon, including responsibility for protection of data from modification, destruction, or disclosure, and for the accuracy and integrity of the data. Quantum assumes no responsibility, and Quantum shall be held harmless for Licensee's negligence or failure to protect Licensee's data.
- e. Feedback. Licensee has no obligation to give Quantum any Feedback. To the extent Quantum receives any Feedback from You, Quantum may use any Feedback as Quantum sees fit. Accordingly, if Licensee provides Feedback, Licensee hereby assigns all right, title and interest worldwide in the Feedback and the related intellectual property rights to Quantum and agrees to assist Quantum, at our expense, in perfecting and enforcing such rights.
- f. Diagnostic Data. Licensee acknowledges and agrees that the Software may transmit to Quantum Diagnostic Data. The Diagnostic Data does not include any data contained within a storage device. The Software may transmit to Quantum Diagnostic Data on a daily or other periodic basis, upon demand by Quantum, or upon a failure or crash of the Software. Licensee acknowledges and agrees that the Diagnostic Data will not create any confidentiality obligation for Quantum. Licensee hereby grants Quantum a fully paid, royalty free, worldwide, perpetual, irrevocable license, with the right to sublicense, use, disclose, reproduce, modify, distribute and otherwise exploit the Diagnostic Data as Quantum sees fit, in any form or medium now known or discovered hereafter, in any manner and for any purpose Quantum in its sole discretion deems necessary.

## 5. Warranty and Warranty Servicing.

- a. Warranty. Quantum warrants that for the applicable Software warranty period published by Quantum, commencing at Designated System shipment or Software download as applicable, the Software will perform in all material aspects in accordance with manufacturer's published specifications. Quantum does not warrant that the Software will meet the Licensee's requirements or that the operation of the Software will be uninterrupted or error free. The Licensee must notify Quantum in writing, within the warranty period of the Software of Licensee's claim of any failure of the Software to conform to the warranty. If Quantum determines that the Software does not materially conform to its published specifications, Quantum's sole obligation and Licensee's sole remedy is for Quantum, at its option, to correct any defect in the Software or to accept the return of the Software. Where Software is returned for claims made during the warranty period, Licensee will receive a pro-rata credit for the Software.
- b. Warranty Exclusions. This warranty shall not extend to errors that result from: (i) Licensee's failure to implement any Updates which are provided by Quantum; (ii) use of the Software other than in

accordance with the Documentation or on other than the Designated System; (iii) any alterations of or additions to the Software performed by parties other than Quantum; (iv) use of the Software in a manner for which it was not designed; (v) accident, negligence, or misuse of the Software by any party other than Quantum; or (vi) combination of the Software with other products not supplied by Quantum.

- c. **Compatibility.** Quantum does not warrant that the Software is compatible with the current releases of all operating systems, nor that the Software will be made compatible with new releases of operating systems within a specified amount of time, or at all. At Licensee's request, Quantum will notify Licensee of the version level of the operating system with which the Software is intended to be compatible.
- d. **Warranty Disclaimer.** EXCEPT FOR THE EXPRESS LIMITED WARRANTY STATED ABOVE, THE SOFTWARE AND DOCUMENTATION ARE PROVIDED "AS IS" AND LICENSEE ACKNOWLEDGES THAT QUANTUM MAKES NO WARRANTY OF ANY KIND REGARDING THE SOFTWARE. QUANTUM HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE FOR THE SOFTWARE AND DOCUMENTATION, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES, TERMS OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR THOSE ARISING FROM COURSE OF PERFORMANCE, DEALING, USAGE OR TRADE.

**6. Term and Termination.** Except as otherwise indicated in an Ordering Document, this Agreement commences upon installation, download, and/or use and will continue until the stated license expiration date for the License Model unless Licensee fails to comply with any conditions of this Agreement, whereupon Quantum may terminate this Agreement effective immediately. Immediately upon termination of this Agreement, Licensee will certify, in writing, to Quantum, that Licensee has discontinued the use of all Software and Documentation and returned to Quantum the original and all copies of the Software and Documentation in any form maintained by You.

**7. DISCLAIMER AND LIMITATION OF LIABILITY.** LICENSEE HAS THE SOLE RESPONSIBILITY FOR THE ADEQUATE PROTECTION AND BACK-UP OF LICENSEE'S DATA USED IN CONNECTION WITH THE PRODUCTS. IN NO EVENT WILL QUANTUM BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES WHATSOEVER RESULTING FROM THE LOSS OF USE, DATA, OR PROFITS, RERUN TIME, INACCURATE INPUT OR WORK DELAYS, OR ANY PERSONAL OR PROPERTY DAMAGE ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE USE, PERFORMANCE OR NON-PERFORMANCE OF THE PRODUCTS WHETHER IN ACTION, IN CONTRACT, OR TORT INCLUDING NEGLIGENCE, EVEN IF QUANTUM KNEW, SHOULD HAVE KNOWN OR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. QUANTUM'S LIABILITY FOR DAMAGES HEREUNDER WILL IN NO EVENT EXCEED THE TOTAL AMOUNT OF A FEES PAID BY LICENSEE UNDER THIS AGREEMENT AND ANY ORDERING DOCUMENTS. THIS DISCLAIMER OF LIABILITY WILL NOT BE AFFECTED IF ANY REMEDY PROVIDED HEREIN FAILS OF ITS ESSENTIAL PURPOSE AND SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY LAW. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE FOREGOING LIMITATION MAY NOT APPLY TO YOU.

**8. Confidentiality.** Licensee acknowledges that Licensee may have access to, and Quantum may disclose to Licensee, certain valuable or proprietary information belonging to and relating to Quantum, which Quantum considers confidential concerning the Products, Product support and maintenance, Updates and the Feedback. Licensee agrees that Licensee will not disclose any Confidential Information to any other person or use any Confidential Information for Licensee's own benefit, except as required in this Agreement, or for the benefit of anyone else. Licensee has no obligation of confidentiality for confidential information which: (i) now or hereafter, through no act or failure to act on Licensee's part, rightfully becomes generally known or available; (ii) is rightfully known to Licensee at the time Licensee receives it from Quantum as evidenced by Licensee's written records; (iii) is hereafter furnished to Licensee by a third party as a matter of right and without restriction on disclosure; or (iv) is independently developed

by Licensee without accessing or using the Confidential Information. Licensee acknowledges and agrees that it will restrict access to Confidential Information to its employees or contractors with a need for this access to perform their employment or contractual obligations and who have agreed in writing to be bound by a confidentiality obligation at least as restrictive as those contained in this Agreement.

## 9. General.

- a. Non-Waiver. The failure by Quantum at any time to enforce any of the provisions of this Agreement or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, right, remedy or option or in any way affect the validity of this Agreement. The waiver of any default by Quantum shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.
- b. Audit Rights and Remedies. Licensee grants to Quantum or its independent accountants the right to examine Licensee's relevant records and systems during Licensee's normal business hours to verify compliance with this Agreement. In the event such audit or other information discloses that Licensee's use is beyond the scope or otherwise in violation of this Agreement, Licensee shall promptly pay to Quantum the appropriate fee for the unlicensed use, plus accrued interest and shall reimburse Quantum for the cost of such audit. Such payment shall be in addition to and without limitation of any rights or remedies which Quantum may have hereunder, at law, or in equity, arising out of or related to any other breach by Licensee of Licensee's obligations hereunder, nor shall it relieve Licensee of otherwise complying with this Agreement.
- c. No Assignment or Modification. This Agreement is not assignable, including any assignment by operation of law. None of the Software or Documentation may be sublicensed, assigned, or transferred to any other party without Quantum's prior written consent. Any effort contradictory with this is null and void. Quantum reserves the right to modify the terms and conditions of this Agreement, including any referenced policies and other documents, effective upon the commencement of any download. If Quantum modifies the Agreement during Licensee's use, the modified version will be effective upon Licensee's next download of the Software. In this case, if Licensee objects to the updated Agreement, as Licensee's exclusive remedy, Licensee may choose not to download. Licensee may be required to click through the updated Agreement to show Licensee's acceptance. If Licensee does not agree to the updated Agreement after it becomes effective, Licensee will no longer have a right to use the Software.
- d. Governing Law, Venue and Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the laws of the State of California, United States of America, as if performed wholly within the state and without giving effect to the principles of conflict of laws rule, the United Nations Convention on the International Sale of Goods, or the Uniform Computer Information Transactions Act. All disputes shall be resolved by a court of competent jurisdiction in the State of California. Each party hereby consents to the exclusive jurisdiction of such courts and waives any objection it might otherwise have to venue, personal jurisdiction, inconvenience of forum, and any similar or related doctrine. Each party also hereby waives any right to jury trial in connection with any action or litigation in any way arising out of or related to this Agreement.
- e. Entire Agreement. This Agreement constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any prior agreement or understanding between the Parties regarding the subject matter of this Agreement. Headings used herein are for convenience only, are not part of this Agreement, and shall not be used in construing it.
- f. Legal Expenses. In any action to enforce this Agreement, the prevailing party shall be entitled to seek recovery of all court costs and reasonable attorneys' fees incurred, including such costs and attorneys' fees incurred in enforcing and collecting any judgment.
- g. Severability. If any provision of this Agreement is held to be invalid by a court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect. The parties further agree to negotiate in good faith a valid and enforceable provision that most nearly affects the parties' intent and to be bound by the mutually agreed substitute provision.
- h. Language. The original of this Agreement is in English and Licensee waives any right to have it written in any other language. Section headings are for convenience only.
